OUR STORY

Kilimani Hospital
Kisumu, Kenya

Our story begins in 2014 when Kilimani Hospital was incorporated for the purpose of helping people achieve better health outcomes. Now after 7 years we are still true to our vision, mission and values.

The name Kilimani is derived from the area the hospital is situated, Kilimani Shopping Centre, Kisumu, Kenya. In the Swahili language, Kilimani translates to 'small hill'.

Our hospital is fully accredited by the Ministry of Health and the Kenya Medical Practitioners and Dentist Board. We meet the highest, most rigorous standards, practices, procedures, and requirements demanded of accredited medical facilities and programs.

GOVERNANCE

The hospital is managed by qualified, experienced and committed teams of medical and administrative experts. The management team ensures quality medical care, stellar customer service, and accurate financial and statutory reporting. We go about all aspects of our business in the most professional manner.

At Kilimani Hospital you will always be met with a friendly face whether you are an individual, a small business, or a large corporate entity. Our management team knows how to take care of your business.

OUR VISION, MISSION AND VALUES

Our Vision

To be leader in the private health care sector.

Our Mission

To improve the health outcomes for our clients through diligent service, research, continuous education and innovation.

Our Values

Accountability, teamwork and excellence.
